Public transportation during ZICE13

We will give you a multiple day pass, valid for 6 x 24 hours in fare-zone 10 (covers Zurich downtown, with Youth Hostel and University)

The ticket will be handed out on Saturday afternoon.

Important:

Validate the first 24-hour slot only when the ticket you bought at the airport has expired. If you manage your 6 x 24 hours carefully, the multiple day pass should serve you until the end of the workshop. Then, you'd only have to buy a ticket to bring you to the airport.

To start the first 24-hour-period, insert the ticket in the slot at the ticket machine. It will then get an imprint, showing date and time of validation. For the next 24 hours, just insert the same ticket again for the second stamp, and so on

During those 24 hours, you have unlimited rides per tram/bus/ship in fare area 10.
